**CONSIDERATION OF RETROCESSION OF JURISDICTION
AT DOUGHERTY ROAD, PARKS RESERVE TRAINING AREA, CONTRA COSTA CO.
AND ESTABLISHMENT OF PROPRIETORIAL JURISDICTION OVER SAME.**

Under Government Code Section 113, the Legislature has granted the Commission the authority to accept a retrocession of legislative jurisdiction from the United States upon receipt of a written request and an agreement to pay the costs associated with the retrocession.

By letter dated August 15, 2002 the United States requested that the Commission accept a retrocession of partial legislative jurisdiction over 10.38 acres of land at Dougherty Road, Parks Reserve Training Area, Contra Costa County. The United States has further requested that the Commission establish proprietary legislative jurisdiction over the same area. The United States has agreed to pay the costs associated with the retrocession.

Pursuant to Government Code Section 113, a notice of hearing on the proposed retrocession and establishment of concurrent jurisdiction was published in two local newspapers. Notice was also served on the Clerk for the Board of Supervisors. The hearing was held as scheduled on September 30, 2002 in the offices of the Commission. There was no opposition to the proposed retrocession.

The United States believes this action is necessary because it has ceased operations on these lands and will be selling them in the near future. The retrocession and establishment of proprietorial jurisdiction will be effective upon the recordation of the Commission=s action with the Contra Costa County Recorder.
